
Does Islam Support the Burning of Homosexuals?

I read that a 2015 Moroccan magazine cover asked the question “[Should homosexuals be burned?](#)”

Is burning considered as a means of execution in 2015?

Here is the answer from a Question and Answer Islamic site: islamqa.info/en/38622

Below is the question asked on this website.

What is the punishment for homosexuality? Is there any differentiation between the one who does it and the one to whom it is done?.

Here is the answer from the site (not the entire article as it contained scholars meetings over the years on this topic.

The crime of homosexuality is one of the greatest of crimes, the worst of sins and the most abhorrent of deeds, and Allaah punished those who did it in a way that He did not punish other nations. It is indicative of violation of the fitrah, total misguidance, weak intellect and lack of religious commitment, and it is a sign of doom and deprivation of the mercy of Allaah. We ask Allaah to keep us safe and sound.

Are There Exceptions to Execution? (My question)

Here is the answer from the Site

1 – There is no hadd punishment if the one who has been sodomized is forced into it, such as if the one who did it overpowered him or threatened him with death or beating and the like. End quote.

2 – If the one to whom it was done is a minor and has not reached the age of puberty. There is no hadd punishment in this case, but he should be disciplined and punished in a way that will deter him from committing this crime, as stated above in the quotation from Shaykh al-Islam Ibn Taymiyah.

Ibn Qudaamah (may Allaah have mercy on him) narrated in al-Mughni (9/62) that there is no difference of opinion among the scholars concerning the fact that the hadd punishment should

not be carried out on one who is insane or a boy who has not yet reached the age of puberty.

And Allaah knows best.

End of Article.

My comment:

Unknown-6paula: I cannot see Allaah as a God of such hatred towards his creation. Like so many religions that were founded long ago, there is no room for scientific thought. World-wide bodies of psychologists and psychiatrists are in total agreement that homosexuality is a born orientation.

They state that homosexuality is NOT a disease, mental problem or perversion (as stated in the Quran and the Old Testament). Furthermore, they state that homosexuality CANNOT be reversed and therefore, it is NOT a choice.

Would a God punish people born homosexuality. It is my opinion that He/She would not. It is my opinion, as I read this site that the emphasis is on DEATH and ways of executing and NOT on LOVE. It is on judging people born homosexual. Has it never occurred to these bigots that homosexuality has been in existence since the dawn of civilization? Are they blind to the fact that homosexuality is in EVERY country? My God is a God of love.
